DEPARTMENT OF CHEMISTRY
M.Sc. (Analytical Chemistry) Admission-2024-25

Students from Savitribai Phule Pune University, Pune, and other universities who wish to apply for admission to the M.Sc.-I (Analytical Chemistry) course for the Academic Year 2024-25 should note the following instructions before proceeding with the online application.:

Eligibility for Admission

Admission to the M.Sc. Analytical Chemistry course for the Academic Year 2024-25 will be based on merit, considering the candidates' performance in their B.Sc. Chemistry degree. The admission process will adhere to the guidelines set by Savitribai Phule Pune University, Pune, and the Government of Maharashtra. Please note that there will be no entrance test conducted for this admission. The total number of available seats is 24.

Admission Process

All candidates are hereby informed that they must first fill out the online merit form and submit it along with their online mark list and caste certificate (if applicable). Once a candidate's name is confirmed in the Admission Counseling Round, they must then complete the online admission form.
