ABOUT THE COLLEGE

Vidya Pratishthan's Arts, Science and Commerce College, Baramati, Maharashtra is recognized as one of the best colleges in the university, not only in academics but also in the fields of sports, cultural, and extension activities. The Vidya Pratishthan's Trust owes its vision to the insight of its founder, Hon. Shri. Sharadchandraji Pawar, veteran parliamentarian and Maharashtra's foremost Statesman. The Trust was founded with paramount aim of delivering world class education to the rural poor. The college is NAAC Accredited and recredited with 'A' grade (in 2003 and 2011) B++ (2018), Ranked 2nd at National Level Institutional Swachhata Ranking, MHRD, DBT 'STAR STATUS' 'DST-FIST' funded as well.

DEPARTMENT OF FOOD TECHNOLOGY

From academic year 2018-19, VPASCC has started a new 3 years Degree Program, B. Voc. Food Technology under the Department of Food Technology, affiliated to Savitribai Phule Pune University, funded by UGC under National Skill Qualification Framework. B. Voc. Food Technology programme focuses on making work ready students by conducting various activities in collaboration with Food Industries and research Institute and to fulfill the economy's need of skilled workforce.

ASSOCIATION OF FOOD SCIENTISTS AND TECHNOLOGISTS (INDIA)

AFST(I), established in 1957, is one of the largest professional and education organizations, with around 3500 members – Food Scientists and Technologists, across the globe.

AFST(I) PUNE CHAPTER

Pune Chapter of AFST(I) was established in year 1985 at M. S. Institute of Hotel Management and Catering Technology, Pune. The Chapter has been revived in September, 2009 at P. G. Dept of Food Science and Nutrition, S. N. D. T. College of Home Science, Pune.

VSBT IGNOU STUDY CENTRE

Initiated in 2009 offering distance learning courses affiliated to Indira Gandhi National Open University. It offers courses under School of Agriculture to democratize higher education to the doorsteps of learners and provide high quality education to all those who seek it irrespective of age, religion and gender

ABOUT THE ONE DAY SEMINAR

The Food and Agriculture Organization (FAO) of the United Nations has announced World Food Day theme of year 2018 "Our Actions are our future, #Zero Hunger World by 2030 is Possible". One of the important factors to achieve this global aim is Food Safety, Nutrition and Food security. The one day seminar will bring Food Technology students, academicians and industrialists together in order to develop sustainable food systems for delivering food security and nutrition for all in such a way that the economic, social and environmental bases to generate food security and nutrition for future generations.
